Must see while in Japan!

Lake Kawaguchi, located at the foot of Mt Fuji in the Fuji Hakone Izu National Park. The scenery is stunning with panoramic views of a snow-capped Fuji most of the year. Travel along the Kachikachi-yama Ropeway and visit the observatory. No trip to Japan would be complete without sampling authentic Japanese hospitality at a traditional ryokan (a Japanese inn).

Geisha and Shrines

Visit Gion for a walking tour of this famous Geisha district. After you may wish to watch a cultural performance at Gion Corner Theatre where you can watch a Maiko (apprentice Geisha) performing. Miyajima or 'Shrine Island', Miyajima is by far and away one of the most popular destinations in Japan – and with good reason. The island's pride and joy is its Itsukushina shrine and particularly the Torii Gate, which is built in the sea and is often referred to as the 'floating shrine'.

Sayonara - Good bye Japan!
