

# Al Barari Community

A family-owned developer with a proven track record, Al Barari offers thoughtfully designed villas (The Residences, The Reserve, and The Nest) and large-scale apartments (Ashjar, Seventh Heaven, and The Neighbourhood) in a verdant and unique residential community, making it an exceptional real estate investment.

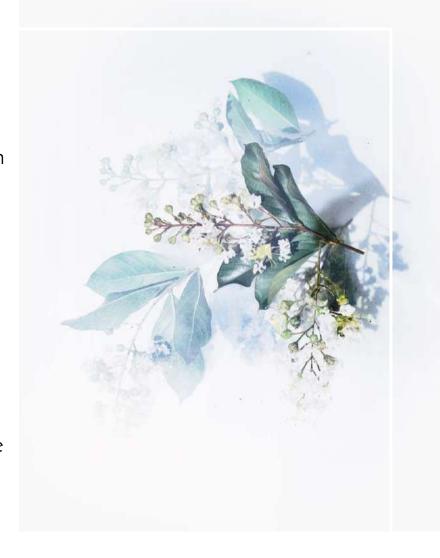

With a range of leisure facilities including an alfresco, gourmet, restaurant (The Farm), an award-winning spa (Heart & Soul), state-of-the-art health club (Body Language), a calendar of regular community events, and an upcoming vibrant retail component, Al Barari offers residents a rare sense of community in the heart of a sprawling metropolis.

### The Farm Restaurant

An oasis of calm, The Farm is the perfect place to escape the heat and enjoy fresh fare in front of an exquisite botanical and waterside backdrop. It's also the ultimate spot for events like corporate trainings, talks and readings, kids' art or cooking classes, afternoon tea with the mums, pop-up markets on the lawn or a high jewelry launch set amongst the flora and fauna from which it took its inspiration.

Founded in 2012 and set within the green surroundings of Al Barari, The Farm is more than a restaurant, it is a culinary, leisure and social hub for UAE residents looking to spend quality time and enjoy great food with family and friends. The Farm's philosophy is simple, to serve high-quality, wholesome food the way nature intended, in a relaxed and tranquil setting. The flavours of The Farm are inspired from around the world, from Thai and Mediterranean to Middle Eastern, Indian, and Asian. The Farm is a culinary haven in Dubai.
