LOCATION

Palm Jumeirah, a glittering archipelago of islands crafted by human ingenuity on Dubai's golden coast, is home to Marriott Resort Palm Jumeirah. The first Marriott Hotels resort in the region, it is situated on the island's Palm West Beach, where its reassuringly relaxed tempo contrasts with the energy of the vibrant city and its dazzling attractions mere minutes away.

GUEST SERVICES

A beachside haven, this is where a living legacy of putting our guests first, brought alive by empowered service, is celebrated in every moment. Our signature design aesthetic takes inspired cues from its locale, while sophisticated spaces, exceptional service and a genuine commitment to sustainability create enriching experiences for both leisure and business travelers.

ACCOMMODATIONS

All 608 sophisticated guest rooms are filled with natural daylight and present captivating sea views through floor-to-ceiling windows. Each room features private balconies, natural bedding, a premium shower and bathing experience, coffee machine, adjustable mood lighting, entertainment system, interconnecting options for comfortable group stays and other experience-enhancing touches.

M CLUB

M Club, with wide-angle views of the sea, the coast and the cityscape, is a haven where earnest productivity, quiet solitude and happy socializing co-exist. Accessible by guests staying in an M Club room, a suite or a penthouse, and by Marriott Bonvoy Elite members, it is open at all hours, and offers breakfast, refreshments, a Grab & Go menu and more with our compliments.

RESTAURANTS & LOUNGES

A gourmet's dream destination, new and beloved brands and concepts define a delicious palette of flavors at Marriott Resort Palm Jumeirah. 10 restaurants, bars and lounges across the resort mean a sumptuous meal and artfully prepared beverages in environs that enthrall the senses, are always close at hand. Tour the world gastronomically via cuisines that celebrate their proud origins, including Japan, Korea, Peru, Mexico, the Levant, Italy ... and beyond.

RECREATION

Like the ebb and flow of the tide, fitness and rejuvenation are integral parts of the experience, with state-of-the-art facilities that encourage workouts imbued with energy and vigor, while the Saray Spa is a retreat for well deserved self-care aided by tailored treatments and therapies.
